State law requires all dog and cat licenses to be renewed each year. All dogs and cats six (6) months of age or older, kept in the Township of East Brunswick, are required to be licensed. License must be on the pet at all times.

New applications or renewals for dog or cat licenses may be remitted to the Township Municipal Bldg in person or by mail. All licenses will be issued in consecutive order and mailed. All checks must be made payable to Township of East Brunswick.

**Proof of rabies vaccination and spaying/neutering is required for all new licenses.** Original documentation (proof) will be returned by mail.

All animals with rabies vaccinations expiring during January thru October of the licensing year must be revaccinated before a new license can be issued, per NJ State law. Therefore if your vaccination expires on or before October 31 of the licensing year, a license cannot and will not be issued until the animal receives a new vaccination. Proof of vaccination must accompany renewal.
